Ren's Ramblings

What a weekend! The **Uplands Festival** provided us Rotarians a perfect platform for Service above Self and Fellowship. The early morning and late evening shifts really tested our endurance whereas the perfect daytime temperatures made the task so much easier. – My grateful thanks to all Rotarians, Anns, Interactors and girlfriends who helped us achieve the (preliminary) result of R34 000 earned for the Club.

At last night's meeting we listened to Corey Johnson from **Imagine Scholar**, an organisation where students from the rural area between Malelane and Swaziland are selected for a very tough program to single out those who have the resolve and diligence to take their education to the highest level possible and be rewarded with scholarships to the best universities worldwide. These young students deserve our support and if you have a vacancy in your business, please contact Corey, he will have the perfect candidate for you. His cell number is: 072 042 7170,

Email: corey@ImagineScholar.org.

Have a great week,

Ren

President Renate Bowers

We even roped in the local bunnies to help collect money

...and members of Rotary Northcliff!

Meeting: 27 May

- Guests: Angela de Gasperi, Partners and Anns, Cory Johnson, Nick Nyalungu and Michael Virrer.
- Our percentage of the Uplands Festival gate takings are approximately R34 000. Renate thanked everyone, and Gavin, on behalf of Rotarians, thanked Renate. There was discussion as to what we can do to improve it next year, for example: sellers go further back towards South Gate; our projects be put up. Send any suggestions to Renate.
- The **Induction Dinner** for Incoming President Albie van der Venter is on **Saturday 29th June**.
- **Careers Day on the 12th July** – if you know of anyone who would like to talk to the high school children please invite them.
- Brian introduced our guest speaker this evening – Corey – who spoke about **Imagine Scholars**.
- Nick Nyalungu spoke about the bags he makes out of inner tubes for his company **Nick and Nichole's**. He kindly donated a bag which Brian auctioned – bought by Huffy.
- Debbie was the Sargent tonight.
- Wine draw won by Penny.

Charlie the Happy Rands Pig

Money collected goes towards
Rotary's *End Polio* campaign

- Charlie the Pig was so happy tonight – must have been the wine! Thank you for your contributions.
- Sadly though...his life is coming to an end, we don't think he know this yet. Polio Plus will benefit though, so a life well lived.
